

REGISTRATION IS NOW OPEN FOR: EXCEL MEDICAL USERS GROUP MEETING

May 8th, 9th and 10th, 2017
Atlanta AMA Executive Conference Center
1170 Peachtree St. NE
Atlanta, GA 30309

Excel Medical Users Group Forum VII

This year the meeting will be extended to incorporate a clinical track where clinicians and researchers will get exposure to each other's topics.

Objective: A forum hosted by EME for the purpose of bringing together forward-thinking clinicians and researchers with interest in complex physiological data analytics and clinical workflows for medical device data. Our meeting goals are to develop high value technology for clinicians and researchers, while encouraging collaboration among academia and clinical users.

Overview of sessions:

Monday – May 8th 1:00 pm – 5:00 pm
Scientific and Technical Presentations/Discussions
(Research and scientific community only)
6:00 pm Reception for all

Tuesday – May 9th 8:00 am – 12:00 pm
Continued Research and Scientific Agenda
(Clinicians invited to attend)

May 9th 1:00 pm - 5:00pm
Excel Medical Clinical Customer Discussions
(Scientific community invited to attend)
6:00 pm Small group dinners to explore collaboration opportunities

Wednesday – May 10th 8 am – 12:00 pm
Continued clinical customer presentations/discussions
(Scientific community invited to attend)

Please contact Joanne Minnaert at joanne.minnaert@excel-medical.com to sign up for either the Research track or Clinical track!
Space is limited so don't wait!
